

WORLDPAY AND PAYGEN

Powering the future of Digital Bill Pay
payments

Accept and process bill payments quickly and securely with Worldpay from FIS® and PayGen.

As your responsive global payments partner, Worldpay from FIS understands what it takes to succeed in the hyper-competitive universe of digital bill payments. When you leverage our integration with PayGen, we provide you with the tools and resources needed to grow your business with smart digital bill payment solutions that help you drive and keep more revenue with higher acceptance rates and lower operating costs. All with the highest level of protection and security. By leveraging our payments expertise and robust data, Worldpay and PayGen can also help you anticipate and adapt to future needs and changes.

Benefits of Worldpay's integration with PayGen

- Supports a variety of payment options
- Customers view and pay bills anytime, anywhere
- Securely accept credit & debit card payments
- Optimize bill payment, customer support and receivables operations
- Maximizes lifetime customer value
- Increases customer satisfaction
- Accelerates revenue growth and protects revenue
- Lowers processing costs
- Provides faster reconciliation

Broad payments acceptance

We deliver innovative bill payments acceptance and processing for all major card brands in card-not-present (CNP) situations.

Platform reliability

Our digital bill pay platform is built on a highly available, fault-tolerant architecture.

Fraud protection

Detect and prevent online payment fraud at the time of authorization with our sophisticated protection solutions.

Advanced reporting and reconciliation

Manage your billing more effectively with our in-depth analytics, reporting and reconciliation capabilities.

Easy onboarding

Our certified integration with PayGen helps ensure a smooth and expeditious onboarding experience.

Support when needed

Our ultra-responsive service and support organization is always ready to help you whenever you have questions or may need assistance.

We do more than just process payments -we deliver value!

Our value-added services are available through our pre-built PayGen integration and enhances the overall billing experience through higher acceptance rates, lower operating cost, Fraud Management and more!
