PayGen is pleased to announce the appointment of David Roth to its Board of Advisors

A serial entrepreneur, David Roth, Chief Operating Officer of Cysiv, has over thirty years of experience building and leading successful SaaS businesses.

PayGen, the preeminent electronic bill presentment and payment solution for corporate billers and financial institutions, prepares to launch in the Microsoft Azure cloud. Roth, whose recent success contributed to the acquisition of Cysiv by Forescout, will lend his expertise to drive PayGen’s growth and innovation.

Previously, Roth was Chief Executive Officer of AppFirst, DRE, Trigence Software and Stratis. He has held leadership roles in sales, marketing and business development for several software and technology companies including Microsoft.

“PayGen is delighted to have David join our advisory board,” said Lou Obsuth, Chief Technology Officer of PayGen. “His knowledge of cloud-native technology and relationships with strategic PayGen partners will accelerate our success in the market.”
