

PayGen Now Available in the Microsoft Azure Marketplace

Microsoft Azure customers worldwide now gain access to PayGen Electronic Bill Presentment and Payment to take advantage of the scalability, reliability and agility of Azure to drive application development and shape business strategies.

Bridgewater, NJ — November 8, 2022 — PayGen announces the availability of [PayGen Electronic Bill Presentment and Payment](#) in the Microsoft Azure Marketplace, an online store providing applications and services for use on Azure. PayGen customers can now take advantage of the productive and trusted Azure cloud platform, with streamlined deployment and management.

PayGen is the preeminent electronic bill presentment and payment solution for billers who demand innovative, highly configurable, easily integrated and secure cloud-based processing. Our Azure cloud-native SaaS solution enables billers to configure and customize their customers bill payment experience with seamless integration that accelerates implementation timelines.

PayGen is leading innovation with new products for real-time payments. We serve many industries including, financial services, insurance, loan services, healthcare and utilities and partner with financial institutions to deliver real-time bill payment solutions. Leveraging Microsoft Azure's cloud computing services for security, compliance and resiliency, our leading-edge architecture delivers the data protection, high availability and PCI, Nacha and HIPPA compliance that billers require.

"Billers want secure, high availability, cloud-based processing," explains Lou Obsuth, Chief Technology Officer and co-founder of PayGen. "As a Microsoft Partner, we leverage Microsoft Azure as our cloud provider to exceed their expectations."

Jake Zborowski, General Manager, Microsoft Azure Platform at Microsoft Corp. said, "We're pleased to welcome PayGen Electronic Bill Presentment and Payment to the Microsoft Azure Marketplace, which gives our partners great exposure to cloud customers around the globe. Azure Marketplace offers world-class quality experiences from global trusted partners with solutions tested to work seamlessly with Azure."

The Azure Marketplace is an online market for buying and selling cloud solutions certified to run on Azure. The Azure Marketplace helps connect companies seeking innovative, cloud-based solutions with partners who have developed solutions that are ready to use.
